

Academic Scholarship Program

Veterinary Technology - Exotic Animal Interest \$500 SCHOLARSHIP

Veterinary Technicians are essential team members in every veterinary practice. Oxbow understands the need for highly-trained and qualified veterinary technicians, especially in exotic animal medicine.

Oxbow's Veterinary Technology Scholarship is intended for students who show a strong interest in pursuing a career in small and exotic animal medicine. Scholarship funds will only be awarded to support education at U.S. based institutions.

TO QUALIFY:

- Complete the application available online at <https://oxbowanimalhealth.com/for-veterinary-students/>
- Submit a résumé describing activities and job history
- Provide one letter of reference
- Provide proof of full-time enrollment in an accredited veterinary technology program for the 2023 Fall Semester (i.e. copy of course schedule, signed statement from advisor. For graduating high school seniors, a program acceptance letter will suffice)
- Provide a transcript copy and current GPA
- Provide a 300-500 word essay explaining why you want to work in the exotic animal field

SUBMIT COMPLETE APPLICATIONS TO:
